## Focus at West Tower

Our four reception rooms offer a beautiful & varied selection of conference suites. The Ballroom in the main house has floor to ceiling windows with French doors leading to the gardens. The Conservatory leads to the gardens and can also be opened-up to extend the Ballroom. The Leather Lounge is a perfect boardroom for smaller meetings.

The Cellar bar is full of rustic charm and can be used either for lunch, dinner, or as a breakout-out room. With access to the lower patio this is the perfect location for pre-dinner drinks prior to dinner.

Seven bedrooms are available in the main house with a further twelve in the annexe; all our bedrooms have en-suite bathroom, tea & coffee making facilities and WiFi along with plenty of 18th century charm.

## Achieve at West Tower

With eight acres of grounds available, the opportunities for team building and activities at West Tower are endless and the experienced and dedicated team are on hand throughout to offer advice and support to ensure you get the most from your event.

With full use of the venue and grounds for the duration of your visit we can organise an action-packed programme of activities, either as a full-day or as a bolt-on to your meeting, conference or overnight stay.

We can offer activities where skills are matched against each other (such as archery or laser clay shooting) to traditional team building challenges. For the less adventurous how about a hog roast in the private grounds as the perfect escape from the hustle of the city.
